In further reference to the matter of my Contract, the General Secretary stated that no pension or provident fund would be considered for a term of service of five years, but in the event of longer service, it would be considered. The General Secretary to Government,

BANGALORE:

Sir:

I have the honour to acknowledge your letter with the enclosed draft of my agreement, received today.

There are one or two corrections I should like to suggest

1). In the matter of passage, I should like the phrase "from India to England" to read, "from India to America", in para 12

2). In section 2 of para 11 is it understood that 5/22 of period spent on duty is allowed as leave plus what privilege leave is due? If so, can this be added, please?

In regard to the matter of provident fund benefit, I understand that Government is not willing to have any apply for so short a term as five years. But will Government be willing to incorporate in my agreement that should they wish to engage me for a further term of five years, that then the provident fund benefit will apply to such a term with retrospective effect for the first term, with interest?

I shall be passing through Bangalore en route to Colombo, from which port I am sailing on the 27th by the Bibby Line ø steamship "Cheshire" on the 27th inst., and shall call at your office about noon on the 22nd.

Dear Doctor Robinson,

With reference to your letter dated the 15th instant regarding your Agreement, I am desired to state as follows:-

(1) Government have no objection to allow passages from "India to America" instead of from "India to England". Para 12 of the Agreement will be amended accordingly.

(2) The leave of $\frac{5}{22}$ of active service is allowed in lieu of both privilege leave and furlough. Hence no privilege leave is admissible in addition.

(3) Re: Provident Fund, the question is one for consideration only after the extension of your term and no reference can be made to it in the present Agreement.

I shall have copies of the Agreement ready for your signature when you call over here on the 22nd instant.

Yours sincerely,
